Dear All,

I hope this email finds everyone in great health!

It was really great having all of you in the workshop. We enjoyed your company thoroughly.

Attached please find a short report we have put together, capturing main points of each of the presenters.

We look forward to interacting further with all of you to push One Health agenda in Nepal and beyond.

Please let us know if you have any feedback/suggestion.

Please feel free to share this report to whoever you think would be interested.

With Best of Regards,

Dibesh
